Larry, David and Rosemarie-

The attached draft document incorporates your feedback from our conversation a few weeks ago. I just heard from Larry Hartig that he is comfortable with the paper as written and supports submitting it to the ECOS-EPA workgroup. Before doing so, I wanted to give you another opportunity for review.

Regarding the state measures table, I am working to incorporate feedback from David and Chris Knopes and will share that draft soon.

I'll be on leave next week, but will be checking my emails and working periodically since I have a 3/9 deadline for submitting this information to the ECOS-EPA workgroup.

Thanks,  
Suzanne

Thanks,  
Suzanne
